The project signatory to this document hereby certifies that payments on this document do not represent payment for teaching, research, or any other services performed in an employee/employer relationship. Furthermore, if any of these recipients are employees of either SDSU Research Foundation or the University, I have attached an addendum that identifies these individuals and explains the reason why they are both an employee and scholarship/fellowship recipient simultaneously. In addition, each recipient has been notified of the potential tax liability for any amount in excess of the documented costs of his/her tuition, fees, books, supplies, and /or equipment required for courses of instruction.
