I acknowledge that I have been given the opportunity to enroll myself, and if applicable, my eligible dependent(s) in affordable group insurance benefits that are available to me through SDSU Research Foundation's group health plans. I understand that the Affordable Care Act (ACA) requires me to have insurance coverage or I may face a penalty imposed by the Internal Revenue Service (IRS). After careful consideration, I have decided NOT to enroll in the benefit plan through SDSU Research Foundation. Additionally, I have read and understand the circumstances in which I may later enroll in the plan without being considered a "late enrollee." By waiving coverage I understand that I will not be able to add coverage for myself or my dependents unless I have a status change. I understand that I must notify Human Resources within 31 days of the date of the qualified status change in order to make a change in my elections.

Kaiser Foundation Health Plan Arbitration Agreement

I understand that (except for Small Claims Court cases, claims subject to a Medicare appeals procedure or the ERISA claims procedure regulation, and any other claims that cannot be subject to binding arbitration under governing law) any dispute between myself, my heirs, relatives, or other associated parties on the one hand and Kaiser Foundation Health Plan, Inc. (KFHP), any contracted health care providers, administrators, or other associated parties on the other hand, for alleged violation of any duty arising out of or related to membership in KFHP, including any claim for medical or hospital malpractice (a claim that medical services were unnecessary or unauthorized or were improperly, negligently, or incompetently rendered), for premises liability, or relating to the coverage for, or delivery of, services or items, irrespective of legal theory, must be decided by binding arbitration under California law and not by lawsuit or resort to court process, except as applicable law provides for judicial review of arbitration proceedings. I agree to give up our right to a jury trial and accept the use of binding arbitration. I understand that the full arbitration provision is contained in the *Evidence of* Coverage.

Cigna Medical or Dental Plans Arbitration Agreement

IT IS IMPORTANT THAT YOU READ AND UNDERSTAND THE FOLLOWING BEFORE YOU SIGN.

CALIFORNIA RESIDENTS ONLY: Cigna Health and Life Insurance Company and Cigna Dental Health, Inc. and its subsidiaries use binding arbitration to settle disputes, including claims of medical malpractice and disputes relating to the delivery of service under the plan. It is understood that any dispute as to medical malpractice, that is as to whether any medical services rendered under this contract were unnecessary or unauthorized or were improperly, negligently or incompetently rendered, will be determined by submission to arbitration as provided by California law, and not by a lawsuit or resort to court process except as California law provides for judicial review or arbitration proceedings. The parties to this contract, by entering into it, are giving up their constitutional right to have any dispute decided in a court of law before a jury, and instead are accepting the use of arbitration. It is understood that this agreement to arbitrate shall apply and extend to any dispute for medical malpractice, relating to the delivery of service under the plan, and to any claims in tort, contract or otherwise, between Group, any individual(s) seeking services under the plan, whether referred to as a Member, Subscriber, Dependent, Enrollee or otherwise (whether a minor or an adult), or the heirs-at-law or personal representatives of any such individual(s), as the case may be, and Cigna Health and Life Insurance Company, Cigna Dental Health, Inc. and its subsidiaries (including any of their agents, successors- or predecessors-in-interest, employees, or providers).

I understand that I am enrolling in one or both of the Cigna medical and/or dental plans.

Late Enrollment Warning For Qualified Family Status Changes

An eligible employee and their dependent(s) must be enrolled in one of the SDSU Research Foundation's health plans during the initial enrollment period, which is normally 31 days from the date the employee or dependent(s) is first eligible to be covered.

An eligible employee and/or their dependent(s) who requests enrollment after the initial enrollment period will be considered a "late enrollee" and subject to coverage limitations unless the person qualifies under one of the late enrollee exceptions.

Late enrollee exceptions:

SDSU Research Foundation employees eligible for group health benefits who decline coverage during their initial enrollment period because they have coverage under another health benefit plan and indicate this reason for declining coverage, will not be considered late enrollees if, while still eligible, they subsequently wish to enroll in one of the SDSU Research Foundation health plans. To be exempt from the late enrollee limitations, the request for enrollment must be received by SDSU Research Foundation's Human Resources Department within 31 days after termination of coverage under the other health plan and coverage under the other health benefit plan must have ended because of:

- end of employment or change of employment status (your own or the person through whom you or they were covered)
- termination of the other health benefit plan
- the employer stops paying a required contribution for the person's coverage
- death of the person through whom they were covered
- divorce or dissolution of domestic partnership

Additionally, an employee who wishes to enroll in a different SDSU Research Foundation group health plan will not be considered a late enrollee if they elect a different plan during Open Enrollment. And, a spouse or minor child who is enrolled within 31 days after issuance of a court order directing that coverage be provided for the person under a covered employee's health benefit plan will not be considered a late enrollee.
